

# Monthly Cap “Baseball”

Each Month is an “Inning.” The Monthly Percentage Change, PLUS (capped) or MINUS (not capped) are your “Runs.” The difference in RUNS after 12 innings is your interest credit, if positive. If the Losses Team outscores the Gains Team after all 12 innings, you play another 12-inning game. **You CANNOT LOSE this game!**

Team	1	2	3	4	5	6	7	8	9	10	11	12	Score
Gains			1.0	2.7	2.7	1.7	1.0	2.0		2.7	1.5	2.7	18.0
Losses	2.9	0.9							1.0				4.8

1/2/2003-2004

(In this example, the Monthly Cap is 2.7%)

**Your “Margin of Victory” is 13.20%**  
**Your Interest Credit is: 13.20%**
