

Follow the steps below to complete your Protective Life product training.

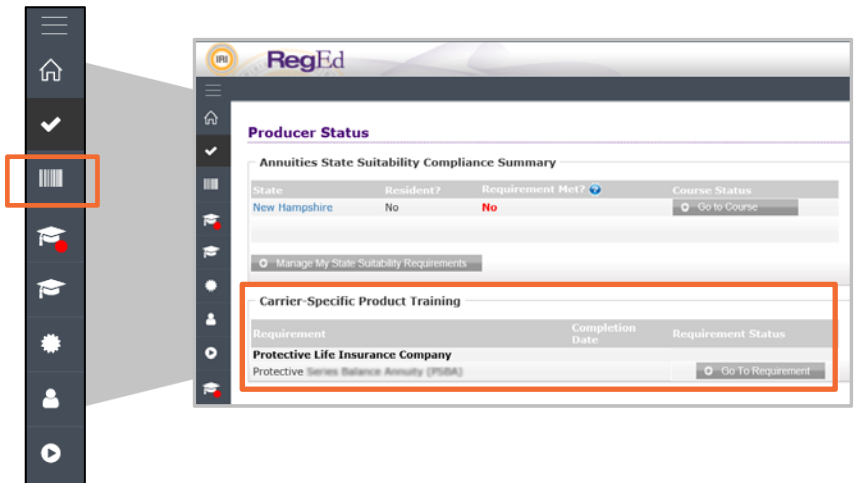

1 Log in to RegEd

Go to <https://secure.reged.com/TrainingPlatform/> to log in to RegEd. For first time users, click Register online located under the Producers Get Started Box.

2 Producer Status

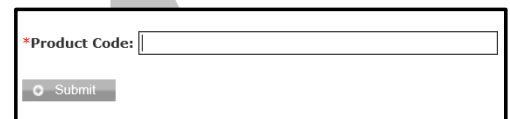

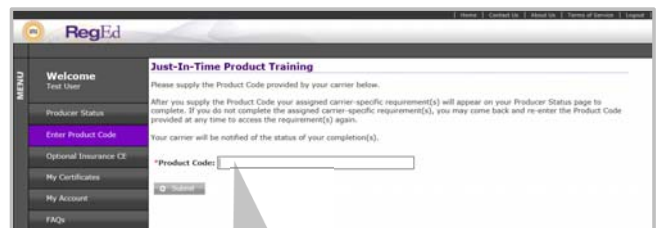

If the Protective annuity course is not listed under the Carrier Specific Product Training section. Click the **barcode** shown on the menu. Then enter the code - see step 3.

3 Enter the product code

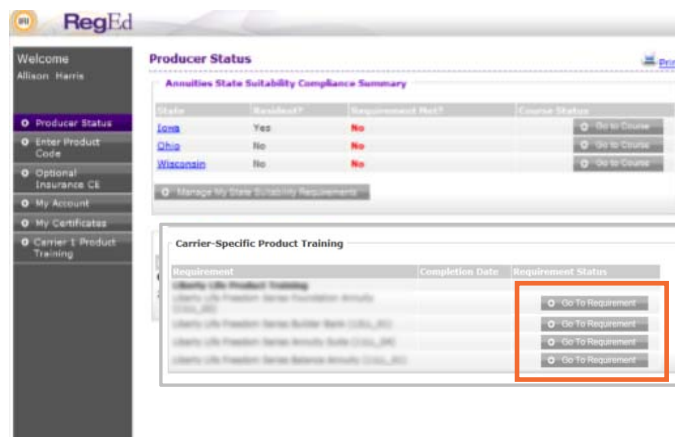

Enter the appropriate product code, then click the **Submit** button.

Course codes:

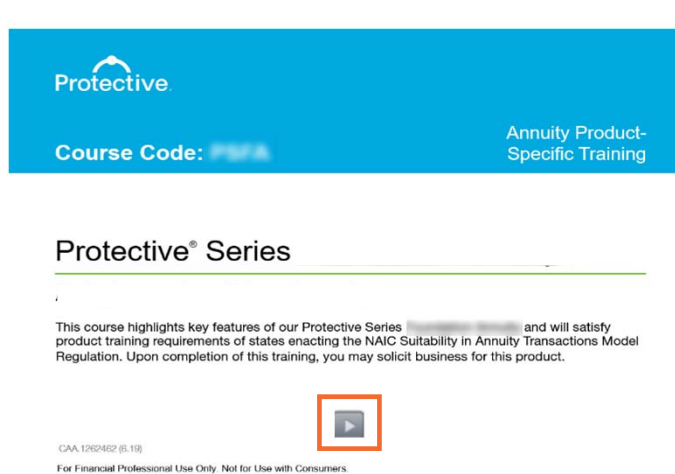

4 Go to Requirement

Click **Go To Requirement** located next to the applicable course name on the Producer Status screen.

5 Take the course

Use the forward arrow to advance through the course.

This is just a sample image. The actual look of the title slide may differ.

6 Complete the process

To complete the process you'll need to attest to completing the course in its entirety. Click the box labeled **A** under Answers. Then click **Continue**. And then click **Close Window**.

Note: For additional questions regarding the RegEd site, click the FAQ tab located on the Main Menu.
