

Nationwide Peak 10 Product Training Instructions

1. Go to <https://secure.reged.com/TrainingPlatform/>
2. If have previously used RegEd and have a username and password, complete the Login at the top right of the screen.
3. If you do not have a username and password then choose “Register Online” under the “Producers Get Started” section.
4. Once in the website you may need to confirm some info. Complete everything required.
5. In the next screen you should see on the left hand side either “Enter Product Code” or a picture of a bar code. Select this option and enter the code below:

Product Code = peak10fia
6. You then should see the Peak 10 product training. Select the course and complete it.
